

# WHO AM I ?

These questions are like a puzzle. The question holds clues to the answer. To help find the answers online, go to **LOOK UP** and search the database.

---

I am a mammal. My body is covered with brown fur. I have webbed feet for swimming and I build lodges, but I am not a beaver! Who am I ?

I am a \_ \_ \_ \_ \_

My body is covered with gray feathers and my head is brown. I sneak into other nests, steal an egg, and put one of my own in its place. That way I never have to take care of my own babies! Who am I ?

I am a \_ \_ \_ \_ \_

I am endangered, but I'm not cute or cuddly. As a matter of fact, you want to keep away from me because I am very poisonous. Like my cousin, the rattlesnake, I shake my tail when I feel threatened. Who am I ?

I am a \_ \_ \_ \_ \_

I am a mammal with a special talent, but you probably haven't seen me perform because I only come out at night. I can glide over 3000 feet! Who am I ?

I am a \_ \_ \_ \_ \_

I am a good climber and swimmer, though you might not think so when you look at me. If you're not careful, you might find me at your campsite pawing through your belongings in search of food. Who am I?

I am a \_ \_ \_ \_ \_

If I live in the north, my nose is star-shaped. It helps me find food. I'm not very big, but I eat lots and lots of worms and insects. I find them in my underground home. Who am I?

I am a \_ \_ \_ \_

Some people find my huge appetite to be very helpful. I can eat hundreds of insects in an hour. Since I hunt at night, I do not rely on my eyes to find my dinner. I am a very unusual mammal! Who am I?

I am a \_ \_ \_

There are more of my kind in eastern forests than any other mammal. It might not seem that way because I'm very shy and blend into my surroundings. When it gets cold, I might move in with you! Who am I?

I am a \_ \_ \_ \_ \_ - \_ \_ \_ \_ \_

You might have seen me playing in a river. A slippery bank is my built-in slide. In the water, my thick, brown fur keeps me warm. Who am I?

I am a \_ \_ \_ \_ \_

If you come across me in the forest, you'll probably keep your distance. You can tell by looking at me that you don't want to get too close. This may be a surprise, but I am a good swimmer. Who am I?
